(cont'd) the Bard Parker golf league 1974 and is playing 1975 also. Charlotte has two bowling trophies, won on the summer league at Licity Bowling Lanes in Long Island City in 1968. The first was for bowling a game over 200 (208) which also ended up being THE HIGHEST GAME bowled by a woman on the league, for which the second trophy was received. Charlotte played the organ and occasionally sings solos in church. She also makes a lot of her own clothing and some for other people. Richard refinishes furniture and installs paneling and dropped ceilings; some time in 1974 there was a nice article about this in the Hancock Herald (our local newspaper).

Dear Cousin:

Enclosed is your parents' family entry and yours for the Supplement. Please give me any needed corrections and fill in the few blanks on your father's entry.

Also enclosed is an order form for The Merwin Family in North America as you requested.

I talked to your sister Ella German on the phone last night. She gave me your brother's widow's address so I might contact her. But I still need your sister Emma's address or that of her children, if she had children. Can you help me?

I certainly appreciate your assistance.

Sincerely,

Merwyn

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin Helen:

As you may know, we are now writing Volume III of The Merwin Family in North America. Accordingly, we are looking for information to update data in Volume II.

Are any of your grandchildren now married? If so, pleaee give me their address so I may write them for information. I have written to both Shirley and Carol asking for update information about their families, but neither of them replied. I do not know whether this means their children are still unmarried or they just did not get around to answering my letters. You were so helpful when I was working on Vol. II I thought I would ask for your help again.

Also, is Douglas still single?

Best regards,

Merwyn R. Buchanan

HURRICANE HUGO

Our cousins, Jim and Joyce Hurd and Robert and Martha Merwin and their families, are longtime residents of St. Croix an island in the US Virgin Islands. The Hurds own and operate Sprat Hall Estate, a beautiful resort hotel which was originlly a sugar plantation.

About ten days after the hurricane struck the Virgin Islands, Ruth Merwin MacMaster of Milford, CT, sister to Joyce and Robert, reported that she had been unable to contact her family on St Croix, but had learned by ship-to-shore and ham radio operator communications that all of the family survived Hurricane Hugo and everyone was well.

Ruth's brother, John David Merwin of Franconia, NH, flew to St Croix a week after the hurricane hit the island. When he landed, he rented a car and drove a short distance only to find the roads impassable. He returned to the airport and took off for home. He tells us that the work of restoring the island is progressing. However, he estimates that it will be the end of the year before electricity and other utilities are in operation. No one has been able to communicate with the folks on St Croix. All normal communications are down.

On 19 October, Ruth MacMaster wrote us that her brother Robert telephoned their sister, Shiela, to let his family in Connecticut know that his telephone service had just been restored. Also, that his house and Jim and Joyce Hurd's (Sprat Hall) suffered only minor damage. The roofs of some of the cottages at Sprat Hall were also damaged. He said that the Hurricane was terrible, but that the looting and the fires (which were started by the looters) were the most devastating of all. He said he feels that St Croix is making a good recovery.

THE MEMORIAL BRIDGE

The Memorial Bridge, which crosses the Wapewaug River in Milford, CT, was constructed in 1889. Thus, the Founding Families celebration held there last July, in which the Merwin Association participated with its 32nd annual reunion, marked the bridge's 100th Anniversary, and not its 150th as noted in the last issue of Milestones. The same error crept into the recent issue (October 1989) of the Association's pamphlet where it was stated on page 12 that Founding Families Day was in celebration of the 150th anniversary of the bridge. Fortunately, the correct dating was given on page 7 of the pamphlet, where it is stated that the bridge was constructed in 1889.

Morris W. Abbott, who with his wife spoke to the June 1968 reunion of the Merwin Association on Old Milford, published an account of "The Bridge on the Wepawaug" in 1972 which describes how the bridge came into being. At a Milford Town Meeting in October 1888, a committee of

Mrs Buchanan,

In reply to your letter of 1/27 First I will correct a mistake I made - Arthur Merwin was born at Prattsville N.Y. (Not Pine Hill) He married Maude Sprague in 1898. We have no record of their marriage. Maude's father was Jeremiah Sprague his wife was Stella Cryne. Mr Sprague always used Jerry Sprague and that is the name on his monument in Pine Hill Cemetery. He died Feb 6, 1936 Stella died Nov 21, 1930.

James Smith Sr. wife Vera Riley was born at Davenport, N.Y. Jerry Merwin's wife Hedwig was born in New York.

June Marie

Was born at Margaretville Hospital May 27, 1958 to James and Shirley (Merwin) Smith Pine Hill - she has blue eyes and beautiful red hair. Dear Mrs. Merwin:

It was nice talking to you on the phone. I'm so pleased to have located you and your family.

Enclosed is a copy of your family entry on page 921 of The Merwin Family in North America. Also enclosed are family record sheets on your husband and you and each of your children. Please make any needed correction and fill in the missing (encircled) bits of information.

I'd also like a brief biography of your husband + you. (What work he did, church, civic, military service, etc.)

Also enclosed is Gerald Merwin's record sheet. Please ask him to complete it and write a short biography of himself on the reverse side.

Your husband had another brother - David. Can you give me the address of his widow or any of his children?

Your help is most appreciated.

Sincerely,

Merwyn

Dear Mrs. Merwin;

Helen Merwin of Pine Hill gave me your address and some information about your family so I could contact you for information to put in the Supplement we are writing to *The Merwin Family in North America*. As you may know, your family appears in this genealogy and we want to bring your family record up to date.

Enclosed are record sheets showing all we know about you and yours. On the sheet for David, please give me any needed correction and I also need your full date of birth. On Marion's sheet, I need her present address and (if married) details about her husband and children. On Margaret's form, the same data is needed plus the place (City + state) where she died. Again, please give me Beverly's current address and other missing data. If you would rather, I will write directly to your children. Just give me their addresses.

Your help will be much appreciated.

Sincerely,

Merwyn

Personal History. Include principal places of residence and dates, business or profession, education, military service, church affiliation, and other special activities and interests. Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

As you may know, we are currently preparing Volume III of The Merwin Family in North America. Since you were quite helpful with inforamtion about your family when I was working on Vol. II, I thought I would write you now and ask for your help.

We wrote to your brother and two sisters and Irving and Joan replied with update information, but not June. Could you tell me if any of her children are now married and, if so, their addresses so I may write them? Do now know why June did not answer. Guess she mislaid the letter.

Thanks and best regards,

VOLUNTARY CONTRIBUTIONS

Sincere appreciation is hereby expressed to the many members who include a voluntary contribution with their payment of dues. Since our fund drive started in February 1988, there have been 145 of these contributions for a total of $3,100. This has been a most helpful supplement to those who have generously made a special contribution or three-year pledge. $12,850 has been raised (including installments due in 1990) from the latter so all together $15,950 of our $20,000 goal for Volume III has been raised. The fact that so many have supported the Association in its genealogical research and copilation of Volume III augurs well for the future. We are, however, $4,000 short of our goal so an appeal is hereby made for additional contributions, especially to those who have not yet given their support. Checks payable to the Miles Merwin Association, Inc., should be forwarded to our Treasurer: Gaius W. Merwin, 34 Crestview Drive, Jaffrey NH 03452.

MILESTONES NO. 90 NOVEMBER 1989

HURRICANE HUGO

Our cousins, Jim and Joyce Hurd and Robert and Martha Merwin and their families, are longtime residents of St. Croix an island in the US Virgin Islands. The Hurds own and operate Sprat Hall Estate, a beautiful resort hotel which was originlly a sugar plantation.

About ten days after the hurricane struck the Virgin Islands, Ruth Merwin MacMaster of Milford, CT, sister to Joyce and Robert, reported that she had been unable to contact her family on St Croix, but had learned by ship-to-shore and ham radio operator communications that all of the family survived Hurricane Hugo and everyone was well.

Ruth's brother, John David Merwin of Franconia, NH, flew to St Croix a week after the hurricane hit the island. When he landed, he rented a car and drove a short distance only to find the roads impassable. He returned to the airport and took off for home. He tells us that the work of restoring the island is progressing. However, he estimates that it will be the end of the year before electricity and other utilities are in operation. No one has been able to communicate with the folks on St Croix. All normal communications are down.

On 19 October, Ruth MacMaster wrote us that her brother Robert telephoned their sister, Shiela, to let his family in Connecticut know that his telephone service had just been restored. Also, that his house and Jim and Joyce Hurd's (Sprat Hall) suffered only minor damage. The roofs of some of the cottages at Sprat Hall were also damaged. He said that the Hurricane was terrible, but that the looting and the fires (which were started by the looters) were the most devastating of all. He said he feels that St Croix is making a good recovery.

THE MEMORIAL BRIDGE

The Memorial Bridge, which crosses the Wapewaug River in Milford, CT, was constructed in 1889. Thus, the Founding Families celebration held there last July, in which the Merwin Association participated with its 32nd annual reunion, marked the bridge's 100th Anniversary, and not its 150th as noted in the last issue of Milestones. The same error crept into the recent issue (October 1989) of the Association's pamphlet where it was stated on page 12 that Founding Families Day was in celebration of the 150th anniversary of the bridge. Fortunately, the correct dating was given on page 7 of the pamphlet, where it is stated that the bridge was constructed in 1889.

Morris W. Abbott, who with his wife spoke to the June 1968 reunion of the Merwin Association on Old Milford, published an account of "The Bridge on the Wepawaug" in 1972 which describes how the bridge came

Dear Cousin:

Talk about coincidence! We both live on Blue Bell Road.

Enclosed is a rough draft of your family entry for the supplement to The Merwin Family in North America. Your mother gave me the information.

Will you please give me this missing data?

1) Your husband's middle name
2) " " place (city + state) of birth
3) The maiden name of your husband's mother.
4) A short biography of you and Bill.

In order to be included in the supplement, we must have you join our association. A check payable to Miles Merwin Assn. for the $2.00 annual dues will do the trick. Enclosed is a copy of Milestones, the newsletter we send to members.

Best regards,

Merwyn

Dear Merwyn:

Sorry, about not writing sooner but have been busy. There really isn't too much to tell about my husband and me.

My husband was born and raised in Germany until he was 18, so I don't know too much about his life over there. All I know is what he has told me. He attended school until he was 14, it is like graduating from High School. Then you go to a Trade school to learn a Trade. He was and still is a Union Painter and now he is the Business agent for the Painters Union of Oneonta, New York. He has been a Union Painter for 25 yrs. He saw no millitary service.

Now for me: In my earlier years I attended Hobart School in Hobart, New York, then I attended school in Jefferson New York where I graduated in 1943.

(over)

I was school secretary for two years.
I have a High School Diploma.

I belong to Hobart Township Methodist Church of which I was in the Choir. No mittary service but was a plane spotter during the World War #2.

I am not sure where you got the idea that I have a sister Florence because I don't. I ~~have~~ had a sister Isabelle but she passed away some years back. I can give you her kids names but I have no idea where they are because we never kept in touch. She married a Harold Lefflebine.

Dear Cousin:

Enclosed is the typed draft of your family entry for the Supplement we are writing to the Merwin Family in North America. Since we are starting to prepare the final manuscript for the printer, please review the enclosure carefully for accuracy. Make any needed correction on the enclosure and return it to the writer.

Some entries lack interesting information on the family head. For example, where he/she attended school, year graduated, degrees earned (name of school and city of location); occupation and employer; military service (dates, grade or rank, branch of service); civic or church service. We will be pleased to include information of this type which you furnish.

Your reply must be received by the writer by September 30, 1982, or we shall assume your entry is satisfactory as drafted.

Sincerely yours,

Merwyn

Dear Cousin:

Many thanks for your family record form. This form is misleading in some respects. Here are the items I still need:

1) what date and where (city + state) were you born?
2) " " " " (" " ") did you marry Dewey M. Lewis?

Also, I would like to have a brief biography of you and your husband.

You included information about your mother. Enclosed is a draft of the changes you gave me. Please give me any necessary corrections.

Thank you for your help.

Sincerely,

Merwyn

Dear Cousin Ethel:

I am most anxious to include all of your family in the Supplement, but, of course, I can not if I don't get the information. Could you please help me?

Enclosed are copies of letters I sent to Lucille and Alice. I have received no reply. When I tried to phone Lucille, I learned that her number was changed to "unlisted". I could not get a phone number for Alice. (I don't know her husband's first name).

Could you get in touch with your sisters and ask them to answer my letters? We are running out of time since I must soon begin typing the book.

Hope you and yours are well.

Best regards,

Merwyn
